# ODE TO THE

I can't express in words of man  
The things I feel inside  
How much I really like this school  
Just why I beam with pride.

But I've sure tried to write a poem  
To try and make you see  
That every kid within this class  
Means a lot to me.

Rudy is someone you can't accuse  
Of doing anything but trying to amuse.

Carol Barker is really sweet  
And what's more she's always neat.

Bill Bingaman is the best of guys,  
He's loads of fun and very wise.

Tho' Ross Broda is the shrimp of our clan  
It make him no lesser a man.

Hickory, Dickory, Dock,  
Charles James is liked a lot.

Frank Knoblock is always in trouble,  
And with girls around it's usually double!

Somebody for Laughs? Randy's the one.  
He's a real nice guy and loads of fun.

Razors pain you, rivers are damp!  
Acids strain you, Terry's a champ.

On top of old smoky, all covered with ice  
Went Gloria Roloff-Gee! but she's nice.

Bob Griffith is a football fan  
For New Carlisle he takes his stand.

Thro' life's dim shadows, and a rough mile  
Evelyn Kajowski still can smile.

With a gay disposition and a face that's so sweet  
Jean Ferris just cannot be beat.

Carolyn Brummitt is the brain of the class  
There aren't any doubts that she won't pass.

George Kuspa, Ben Bromley and Butch O'Shea  
Make New Carlisle what it is today!

Nancy and Linda - new twins this year  
We'd like to say - we're glad you're here.

Harold or Gerald - which one will it be?  
Whichever you take there's another like he.

On Caroline Kafka's label you will read:  
"Take this if a friend you need."

Ask me no questions, I'll tell you no lie  
Donald Milcoff is a real nice guy.

Fourth hour English Jim Sanders adores  
But we're afraid some kids he bores.

Steve Toth's right arm is awful stiff  
Was it from a fall or aw! What's the diff?

John Romano, Judy Sailer and along with Lyle  
Are kids you hardly see without a big smile!

Howard Silberman, George Stanton and our friend Russell  
Got thru high school without flinching a muscle.

A quiet girl, but just the same  
Carolyn Fitz is a well-known name.

In our class is Doris Darland  
Who is even nicer than Judy Garland.

With fire in her heart and a head the same  
Christine Klodinski is a Romeo's fame.

Janice Davis is as smart as she can be  
And what's more she's not so bad to see.

Darlene for now, Darlene forever  
Radahoviach for now, but let's hope not forever.

After school is over and done  
Betty Kinyon plans to have fun.

Theresa Dobrykowski is as smart as fire  
The kind of gal that you'll admire.

Planting the wheat and plowing the ground  
Gerald Laurey's can be found.

Dum, Dum, Dum, Look at Lee McCrum  
Blonde hair, blue eyes, characteristics of the wise.

There is a guy named Richard Hale  
Now he is what you call a male.

Mary Campo is always so merry  
And not the least bit contrary.

# CLASS OF '59

One thing Bruce is quick at learning  
He'd better be quiet when the teacher's burning.

The squeal of tires, a blast of horn  
Introduces Warren Osborn.

In all the world there is not one  
To equal Fran and all her fun.

Great balls o' fire, what's this world coming to?  
Without George Filchak what on earth would we do?

Jack Danielson, Joyce De Groote and John Heminger  
Make life a real joy-less hand to endure.

John Mason isn't a difficult boy  
His actions, his ideals we all can enjoy.

A friend to all, a foe to none  
Tom Holcombe is a world of fun.

Born so innocent, raised the same  
Why, of course Marlene's her name.

Marilyn Deal is a real cool kid  
And of her we hate to be rid.

Pat Holston and Larry Hughes are two of our gang  
Out of their actions we sure get a bang.

Ed Jedrzewski is a senior at last  
But, boy! It sure was a task.

Twelve years are hard-for some they're a whizz  
Mickey is glad this is the last one of his.

In the life of Alice Lewis there is just one thing  
Jerry Moore with a wedding ring.

Ann Peterson is as small as rice  
But she could be fat and just as nice.

We all know Theresa Prestin  
We also know for fame she's destined.

A class of laughter-a class of fun  
Just let's you know Barb Tittle's the one.

Wrestling hard for our dear old team  
Bill Mossman is a Tiger's dream.

Our class prexy's and president too  
Nancy Simpson is the gal for you.

Donna, Maude, and Myron too  
Make old N.C. full of things to do.

Carol Mendenhall is a model of neatness  
Her personality has a sense of sweetness.

Jerry Stockton and Donald Smith  
Are nice kids to be friendly with.

Lillian Malm and Arnold Mann  
Are seniors at last-let's give 'em a hand!

Marie and Margaret are the Morgan gals  
They're the kinda kids to have for pals.

The very fine name of Karen Leason  
Is almost as famous as Jackie Gleason.

Eleanore Malec and Laurea La Free  
Are the kind of pals for you and me.

The Fishers-both Judy and Larry  
Are nice classmates and always merry.

When God made Mary Toth, He musta' said,  
"Popularity can't go to her head."

With us again for another whole year  
Bruce Jarvie will graduate-just never you fear!

Popularity must be her name  
Cause Carol Mojeska sure got fame.

Mary Ann Zelasko is a girl with charm  
Why, she would never do anyone harm.

A swift "hello" a smile in greeting  
Makes Esther Mackowski a gal worth meeting.

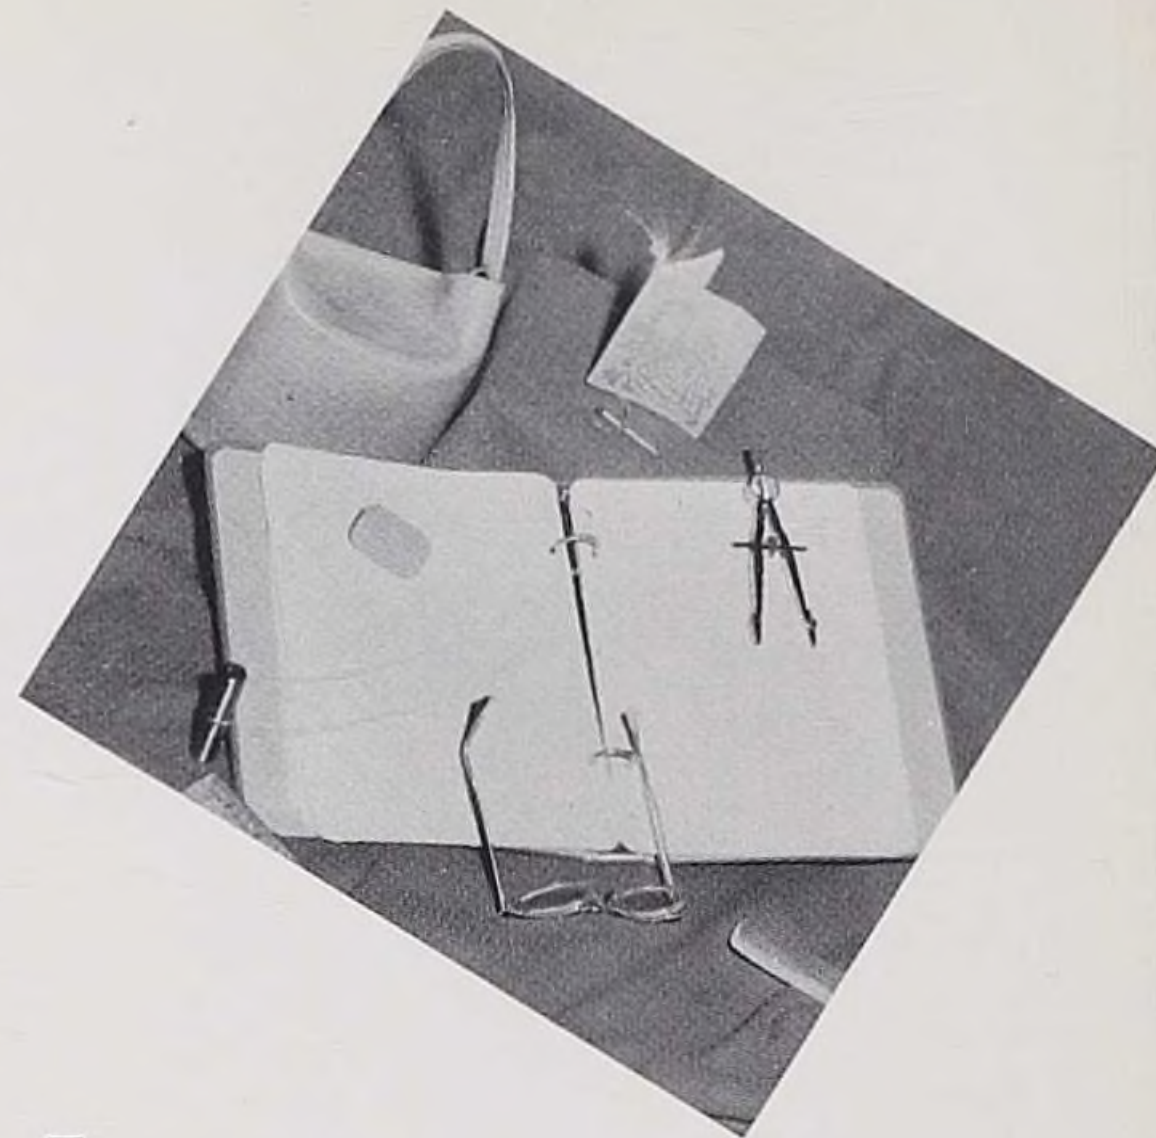

Last but not least in every aspect  
Carl Sebasti has lots of respect.

Yes-an ode to the class of '59  
I'm proud to say - I'm glad it's mine.

# SENIOR OFFICERS

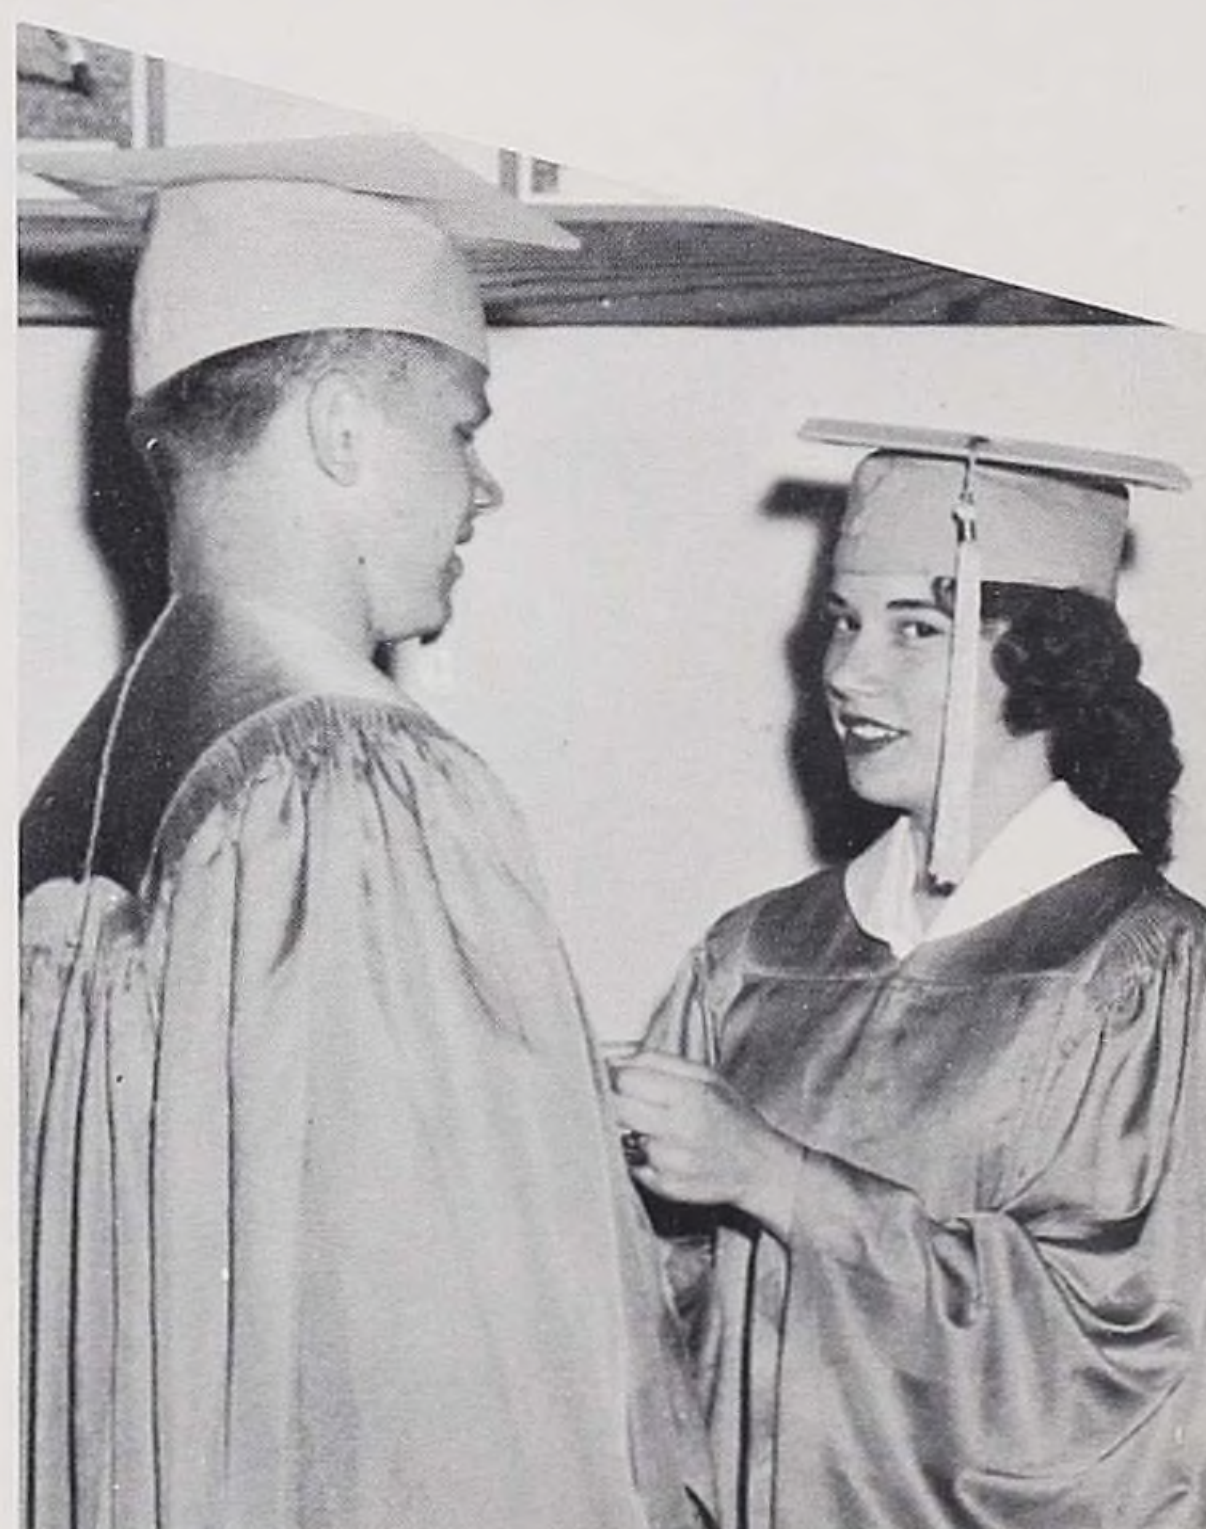

President--Nancy Simpson, Vice-President--Butch O'Shea, Secretary--Richard Hale, Treasurer--John Mason

As we look back on the twelve years we have just completed, we realized the importance and interest they have held for us.

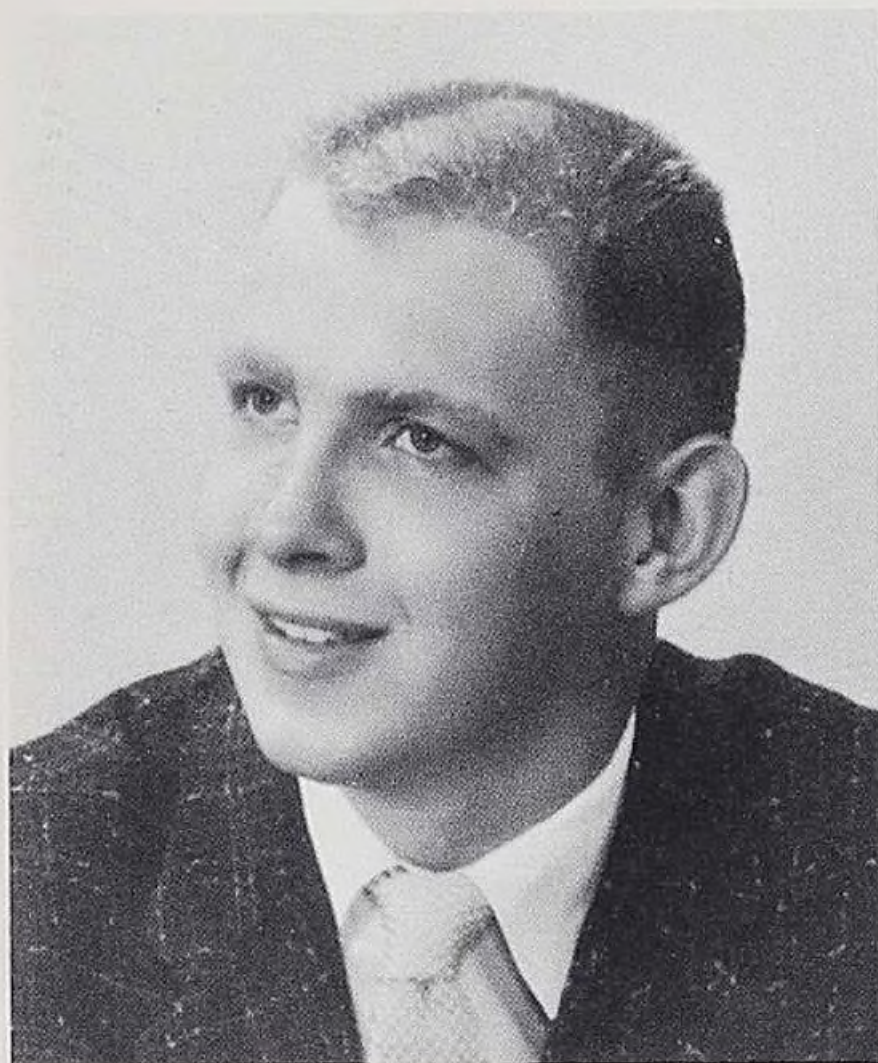

We say they were important because if we have used these years to our advantage, we will be more capable of facing the next step which is making our life a success. Our future depends greatly on what we have gained from these years.

Our school life was interesting, too. We entered high school, attended ball games, and purchased our class rings. This last year held our most exciting event--being fitted for caps and gowns. All of these activities contributed to our school life.

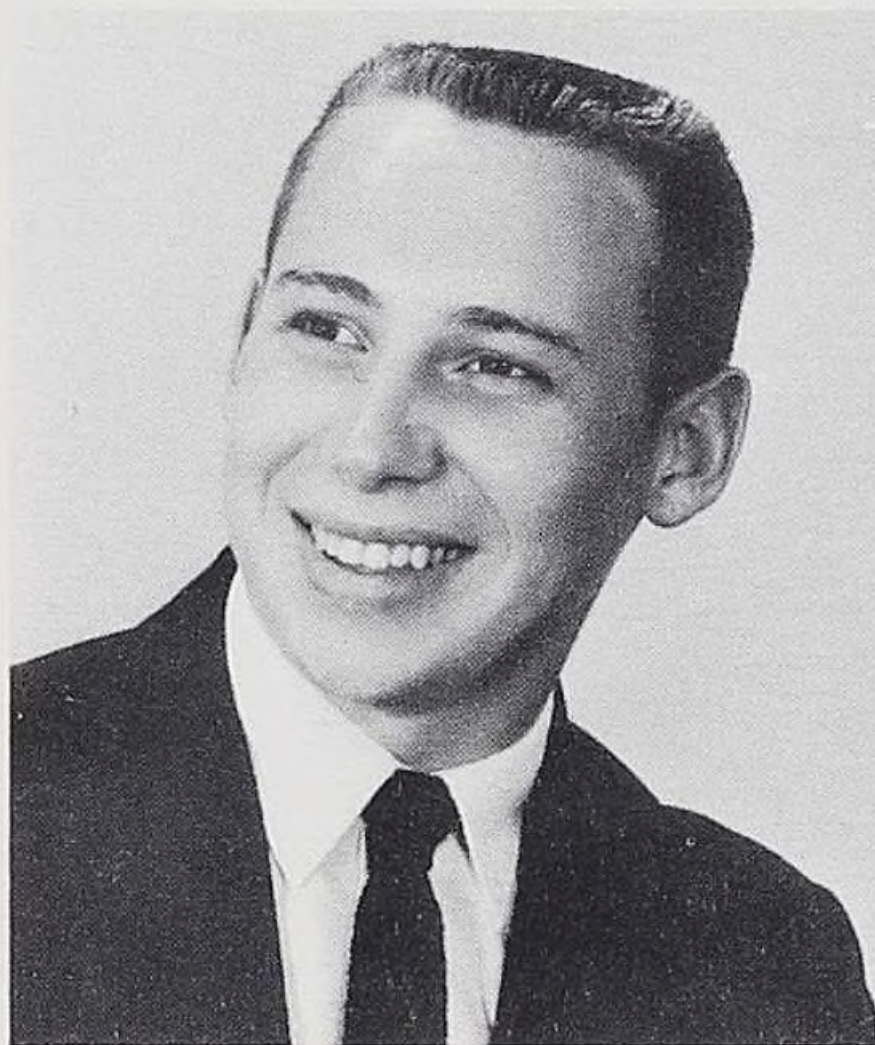

As we leave, we have only one request--that is, that the seniors to come will grow to understand that their senior year is not the end, but only a part of the beginning.

# JUNIOR OFFICERS

President--Skip Budny, Vice-President--George DeMeyer, Secretary--Kay Cooper, Treasurer--Marlene Cooreman

"I wonder if our class rings will ever get here!!!" A familiar quote that was heard at the first of this year by many of us expecting our rings. The Thunderbird is the name of the ring and we think they are really sharp.

Many things have taken place this year besides purchasing our class rings. Among them was the planning of the Junior-Senior Prom in honor of the seniors which was held at the Knights of Columbus. We also made money by sponsoring a cotton candy machine and a turkey raffle at the Halloween Festival.

We are all looking forward to the life of almighty seniors when we will order our caps and gowns, announcements, and all other important facsimiles.

# SOPHOMORE OFFICERS

President--John Ekstrom, Vice-President--Ted Wroblewski, Secretary--Connie Malec, Treasurer--Susie Halassy

The sophomore year was a very rare one. At least that was what we thought. We were still considered junior leaguers but felt that we've risen enough from the freshman year to enjoy the privileges of being older and wiser. Our class was a good-sized one with one hundred and forty eight strong.

Our class made a slew of that "crisp green stuff" this year with a very successful money-making magazine sales.

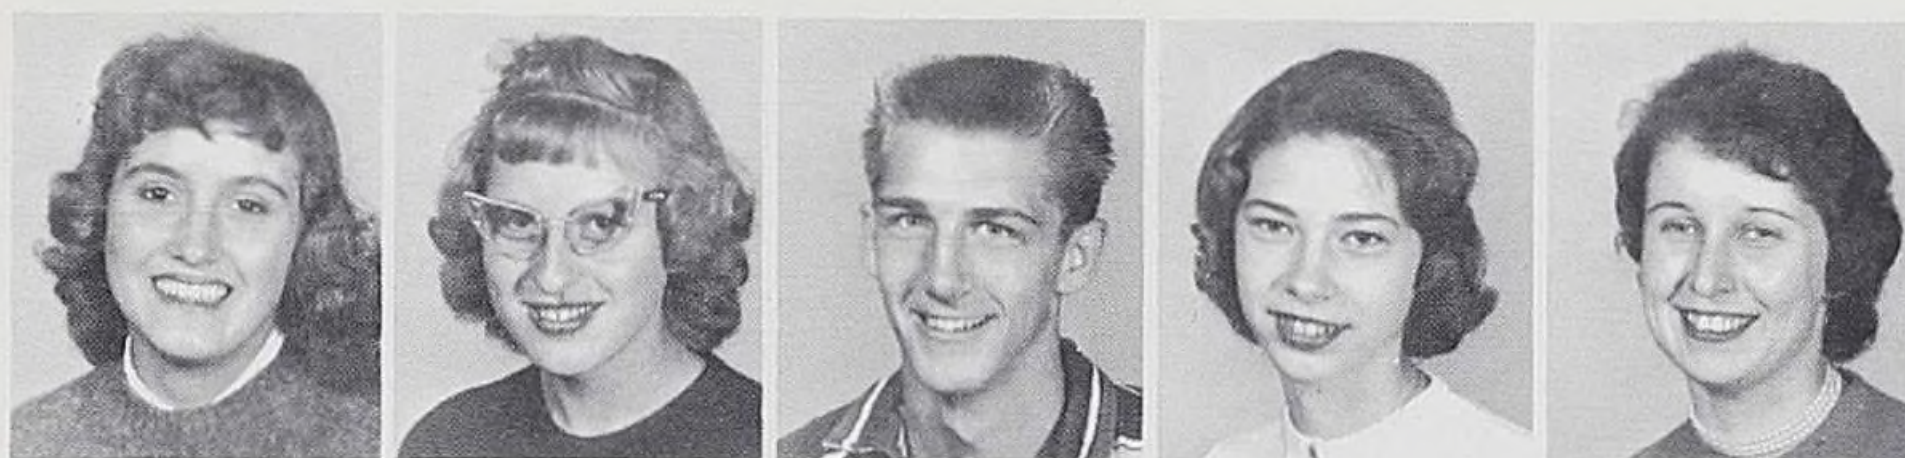

We also sported our class Jackets which were black with orange letter outlined in white.

As juniors next year we are looking forward to purchasing our class rings and also adding another rung in our four year high school ladder.

# FRESHMAN OFFICERS

President--Tom Horvath, Vice-President--Ginger Fann, Secretary--Kathy Rajski, Treasurer--Dick Horvath.

"Where is the English room?" "Which stairs is it up?" These are a sample of the often-heard questions that have been asked by some of our 150 bewildered class members.

Our life as freshmen in high school began with our electing officers to help us through this first hectic year. We've done our utmost to keep in line with our upper-classmen and to show that we held our own, we sponsored the cake raffle at the Halloween Festival. We were very fortunate in the fact that it was a great success.

We are glad to say that we will be great sophomores next year and will be able to give the low freshman the same hard-time we endured!

# HIGH SCHOOL STAFF

What a mess our school  
would be without these  
men.

These are the girls who  
called us to the office many  
times during the year.

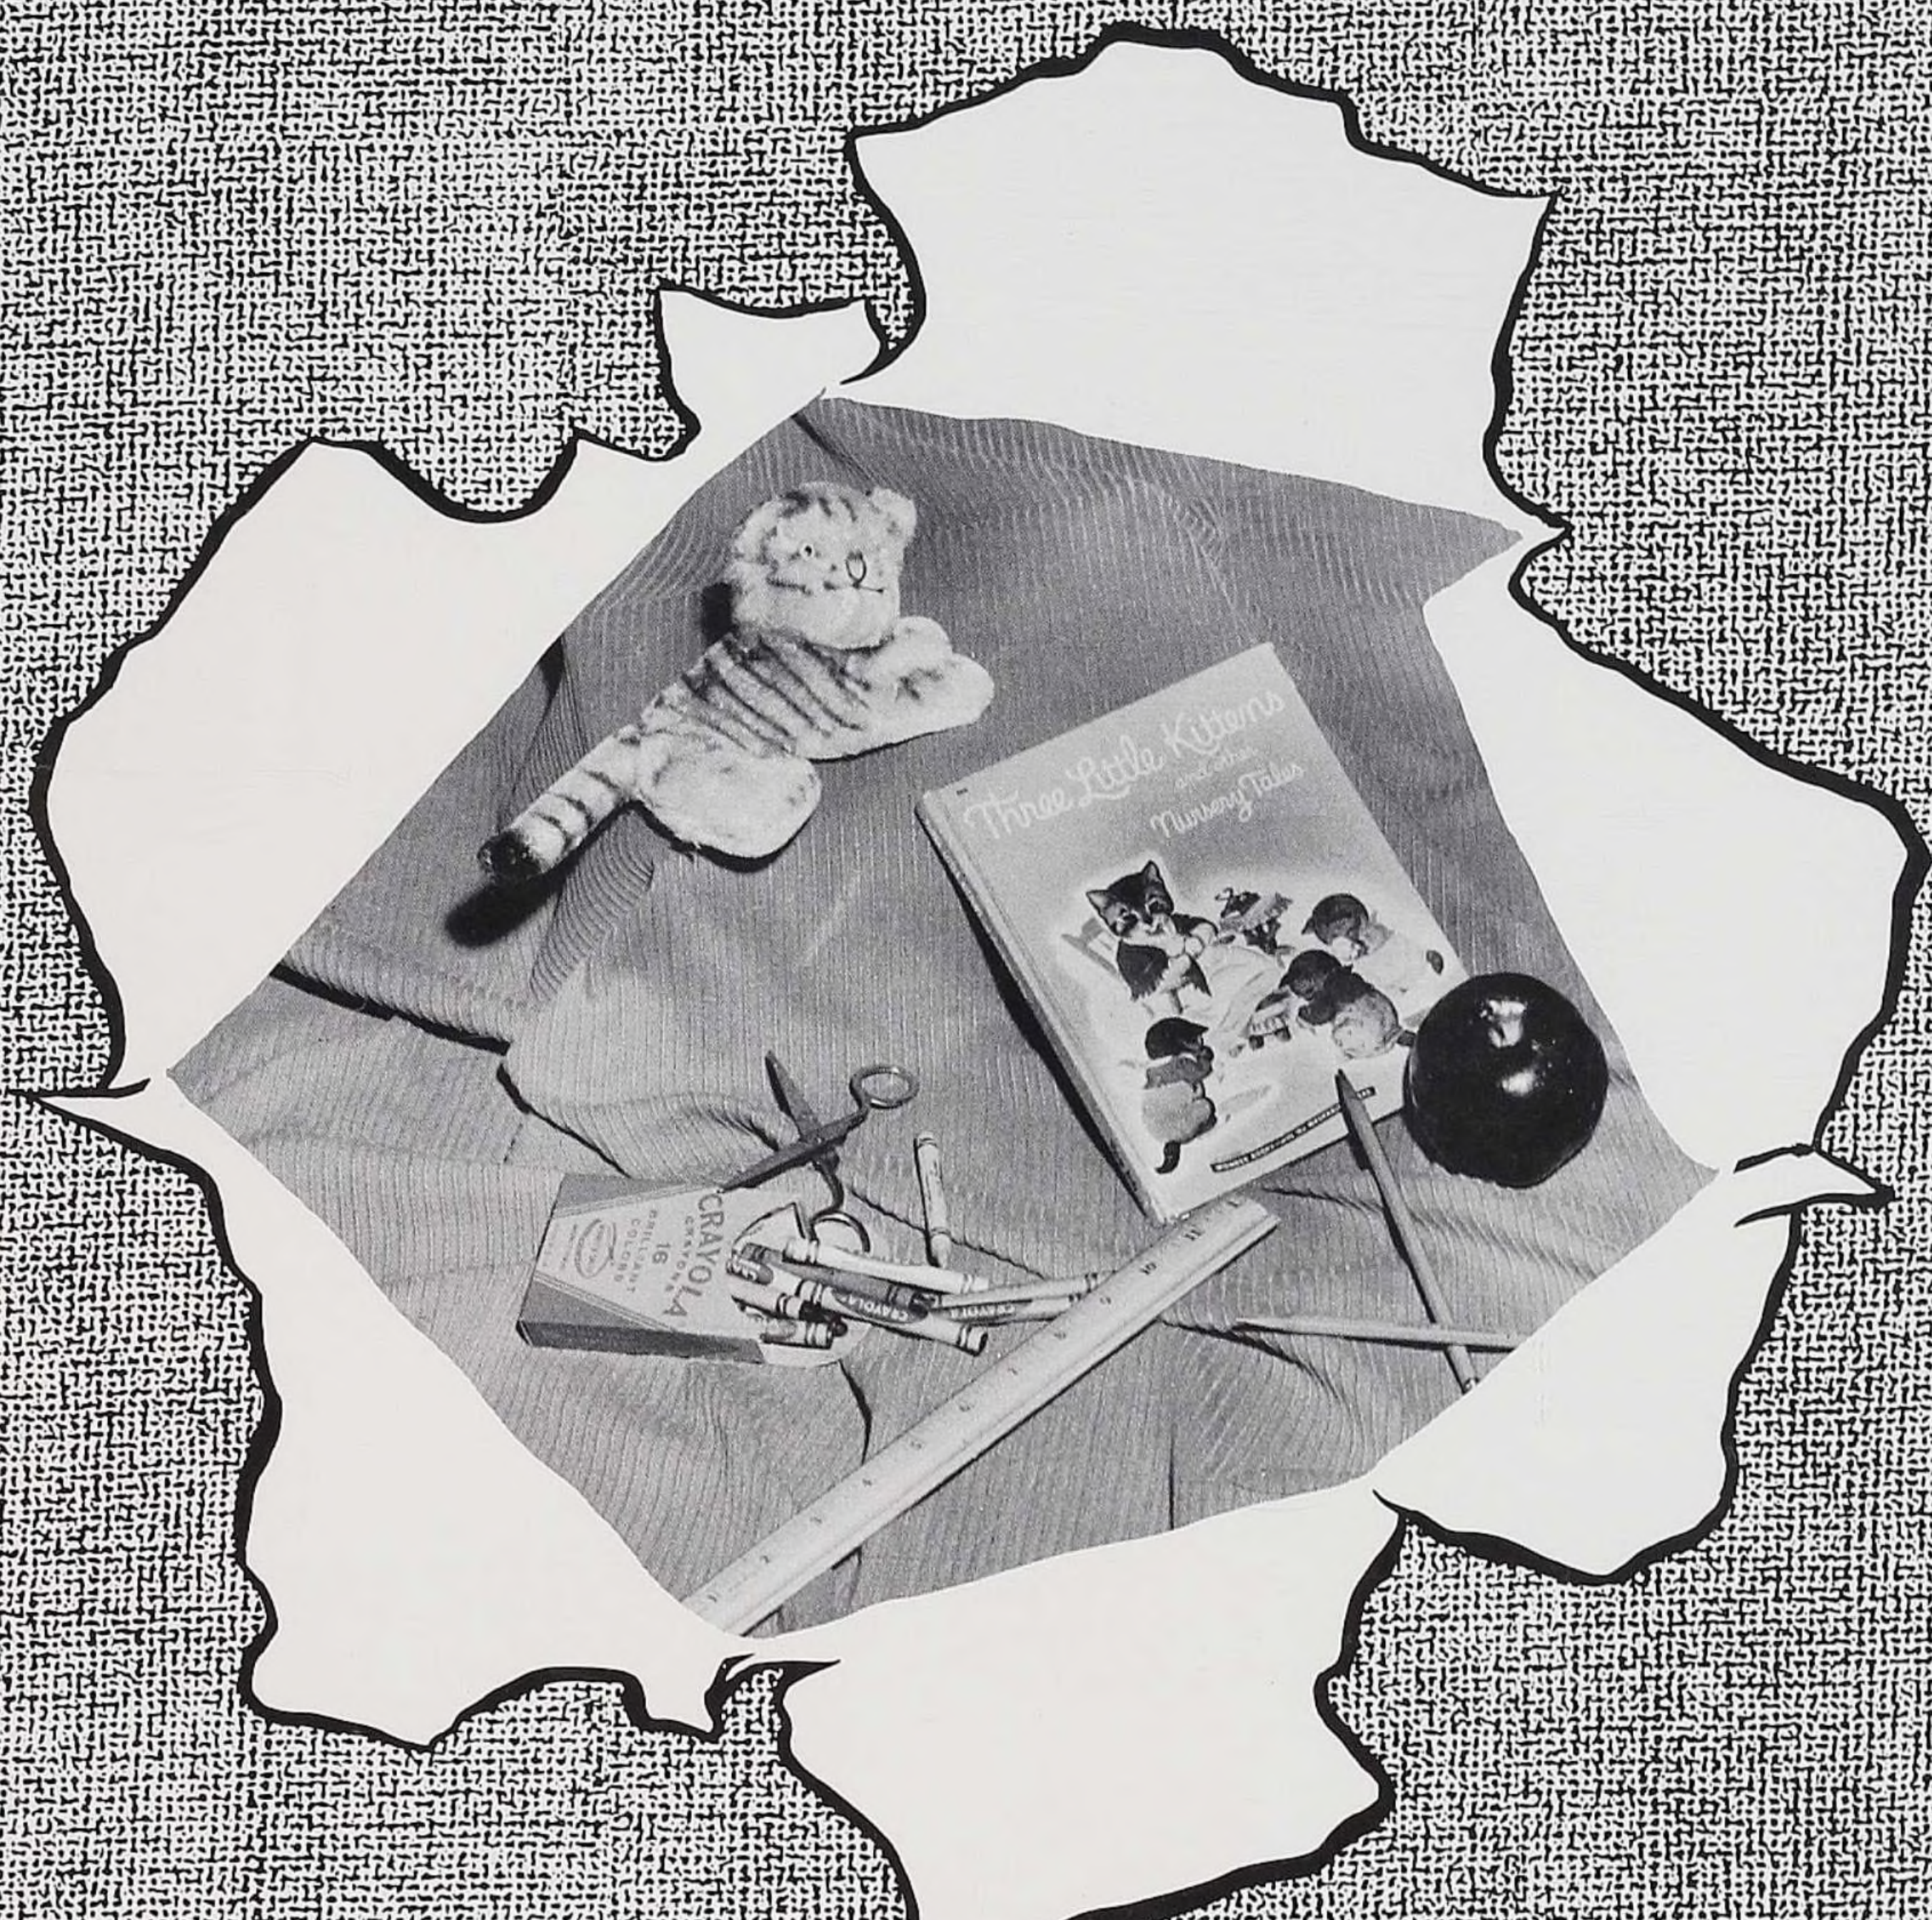

Who said men are better  
cooks than women?

Without these faithful men  
we would never make it to  
school.

THE CHILD OF THE

AMERICAN

# ELEMENTARY ADMINISTRATORS

Elementary school--our first taste of this wonderful school life. Here we found our first friends and made our first enemies. Don't we wish it was all that easy again.

Our hats are off to these, our first teachers. What would we have done without them. They taught us readin', writin', 'n Arithmetic. They also punished us when we were bad and rewarded us when we were good. We wish to thank them whole-heartedly for their fine co-operation and guidance in our first steps through school. May they continue to do as a rewarding and wonderful a job in the future as they have done in the past.

We bid a special thank you to the office staff for the work they so ably have carried on. They have had to handle the inside problems of running the school. Their duties are innumerable and sometimes difficult to carry. A big thank you again for your help in keeping the place going. May you always carry on this work for us.

## LIFE IN

This year the Tiger Team was one of the members who formed the new Northern Indiana State Conference. It was made up of the following six schools: Bremen, Knox, Jimtown, North Judson, Washington-Clay, and our own New Carlisle.

Our team's record, however, did not meet expectations due to the fact that we were hampered by the loss of three of our regular players only two games after the opening of the season.

Midway through the season, having our regulars back in action, we began to show the true Tiger form and spirit.

Our team came through at the end of the season with some spectacular team play.

On hand to back the Tiger Football Team at all the games was an energetic group of fans led by our cheerleaders.

Next year we are looking forward to a better year.

The Referee seems to be interested.

Allah, Allah, Mighty Master, give us VICTORY!!

Here our cheerleaders, Janice, Diana, Charlotte, and Nancy lead the crowd of fans.

Dig those fancy steps!

## LIFE IN

The opening days of the season looked very promising with five lettermen, three of them last year's regulars back. We played a very good game for the first seasonal contest, dropping a 66-53 decision to Concord, one of the top rated teams in the state.

As the season progressed our Tigers panned out into a very fine ball club with a great potential. In the seventh game of the season it was our good fortune to beat Nadison Township 76-67 and win the "roving trophy." This is a very coveted award which is held by a county team school until beaten by another county team outside of tournament competition.

This year we are privileged to have one of the better teams that New Carlisle has produced and we should be very proud of our Tigers.

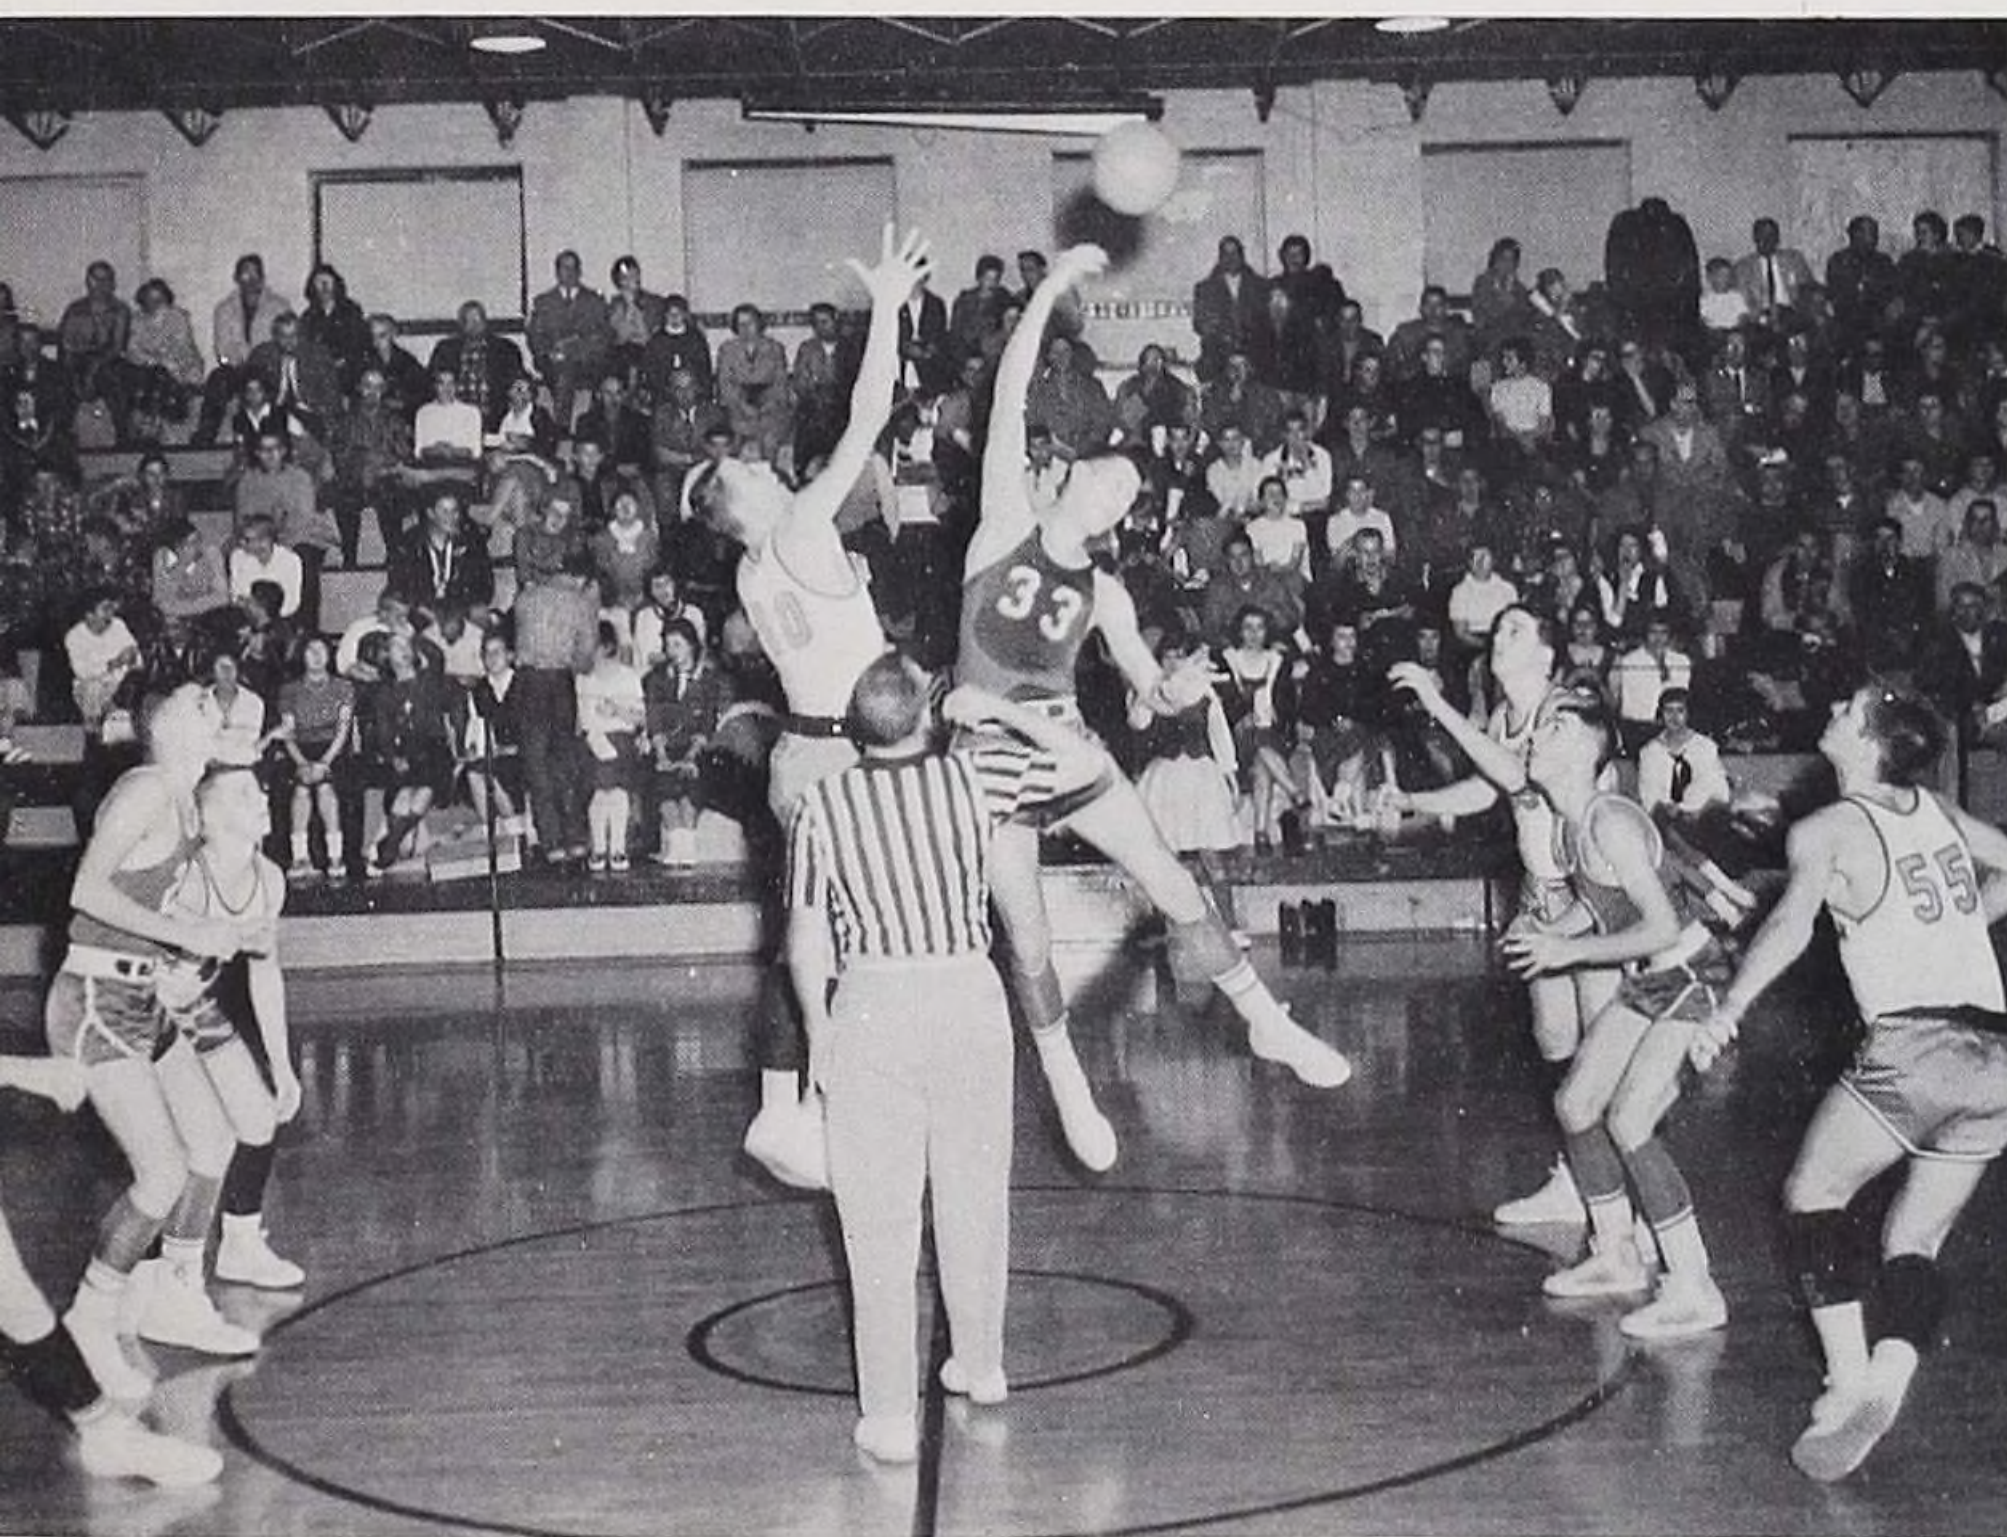

Looks like we're going to get another two points, from this shot.

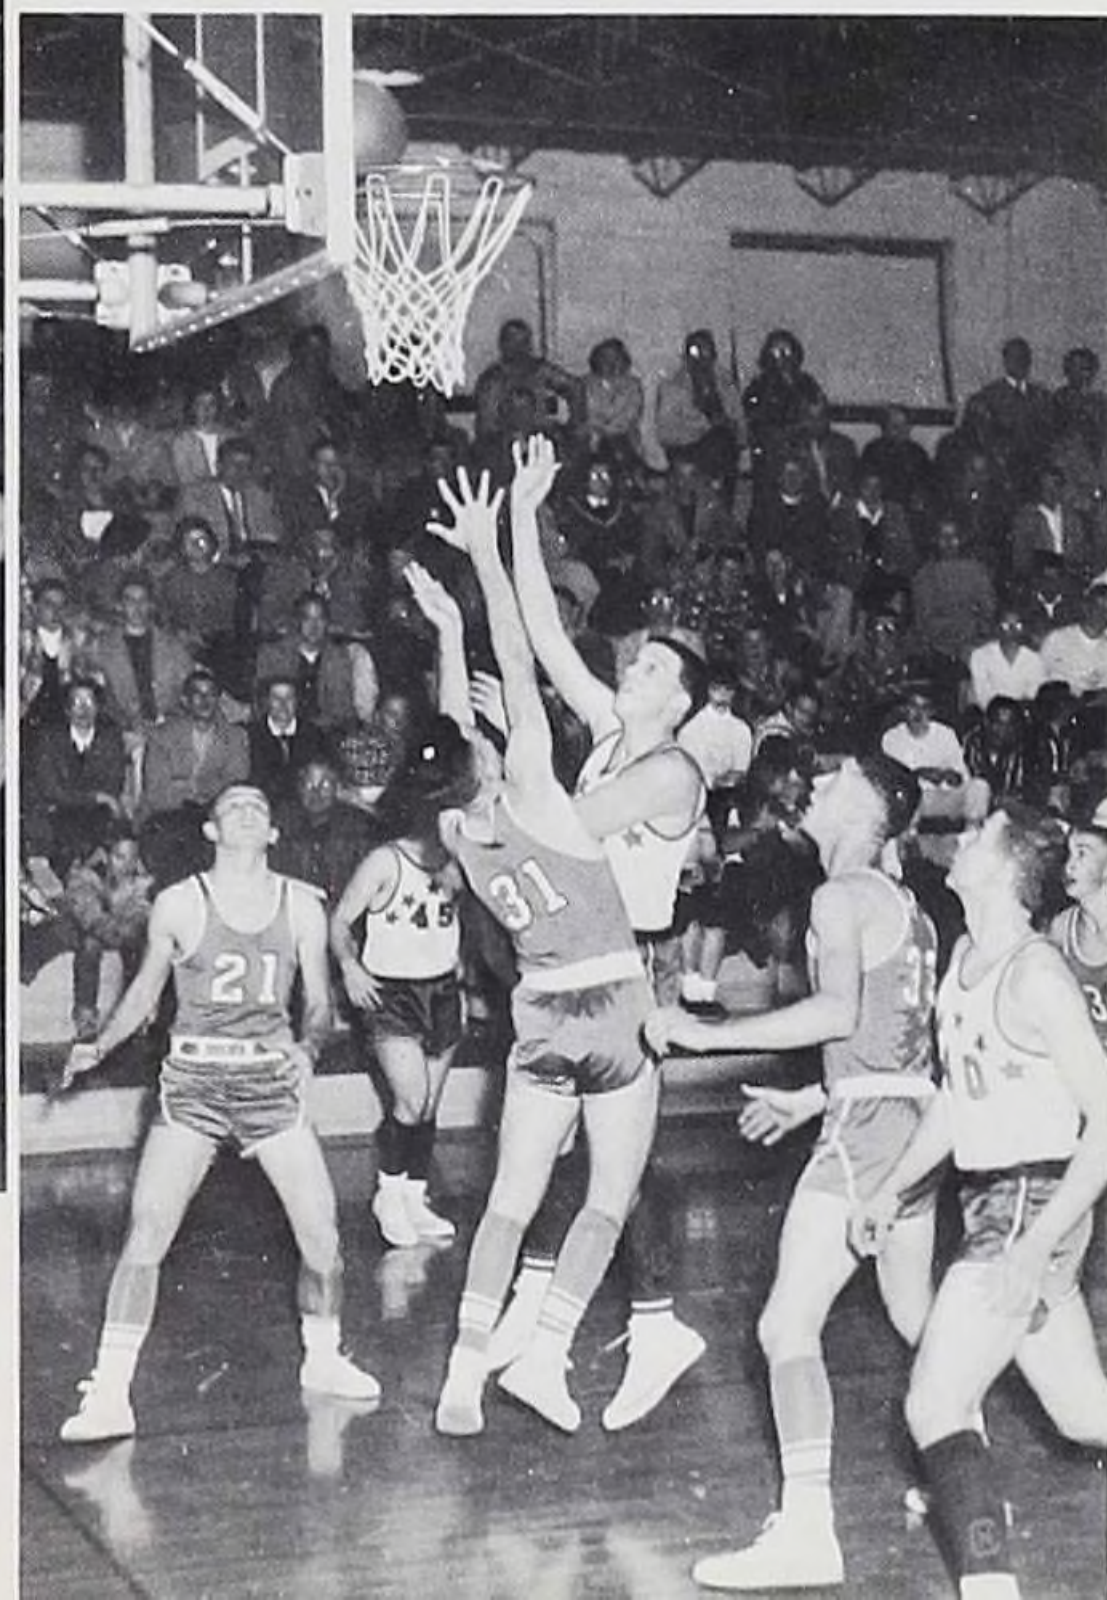

The Traveling Trophy was won by the team at the Madison game.

## BASKETBALL

The whistle blows and the Tigers are in action.

Larry Fisher, the County's leading scorer, eagerly raises New Carlisle's score.

# THE OLIVE BRANCH

The members of The Olive Branch were kept busy organizing the school yearbook. Colors of the cover were chosen, stories were written, and most important of all was the taking of pictures, a task in itself.

This year's staff undertook many projects--Tiger pins were sold for both football and basketball activities. Valentine's night brought another project in the form of the "Sweetheart Record Hop," with Jim Lounsbury in person.

Many nights after school were spent in preparing material for the yearbook. Subscriptions were sold at the beginning of the school year, at the high school and elementary school.

Yes, it's been an exciting year and we on the staff wish to thank Mr. Haag for his guidance and help in making this a yearbook designed for you.

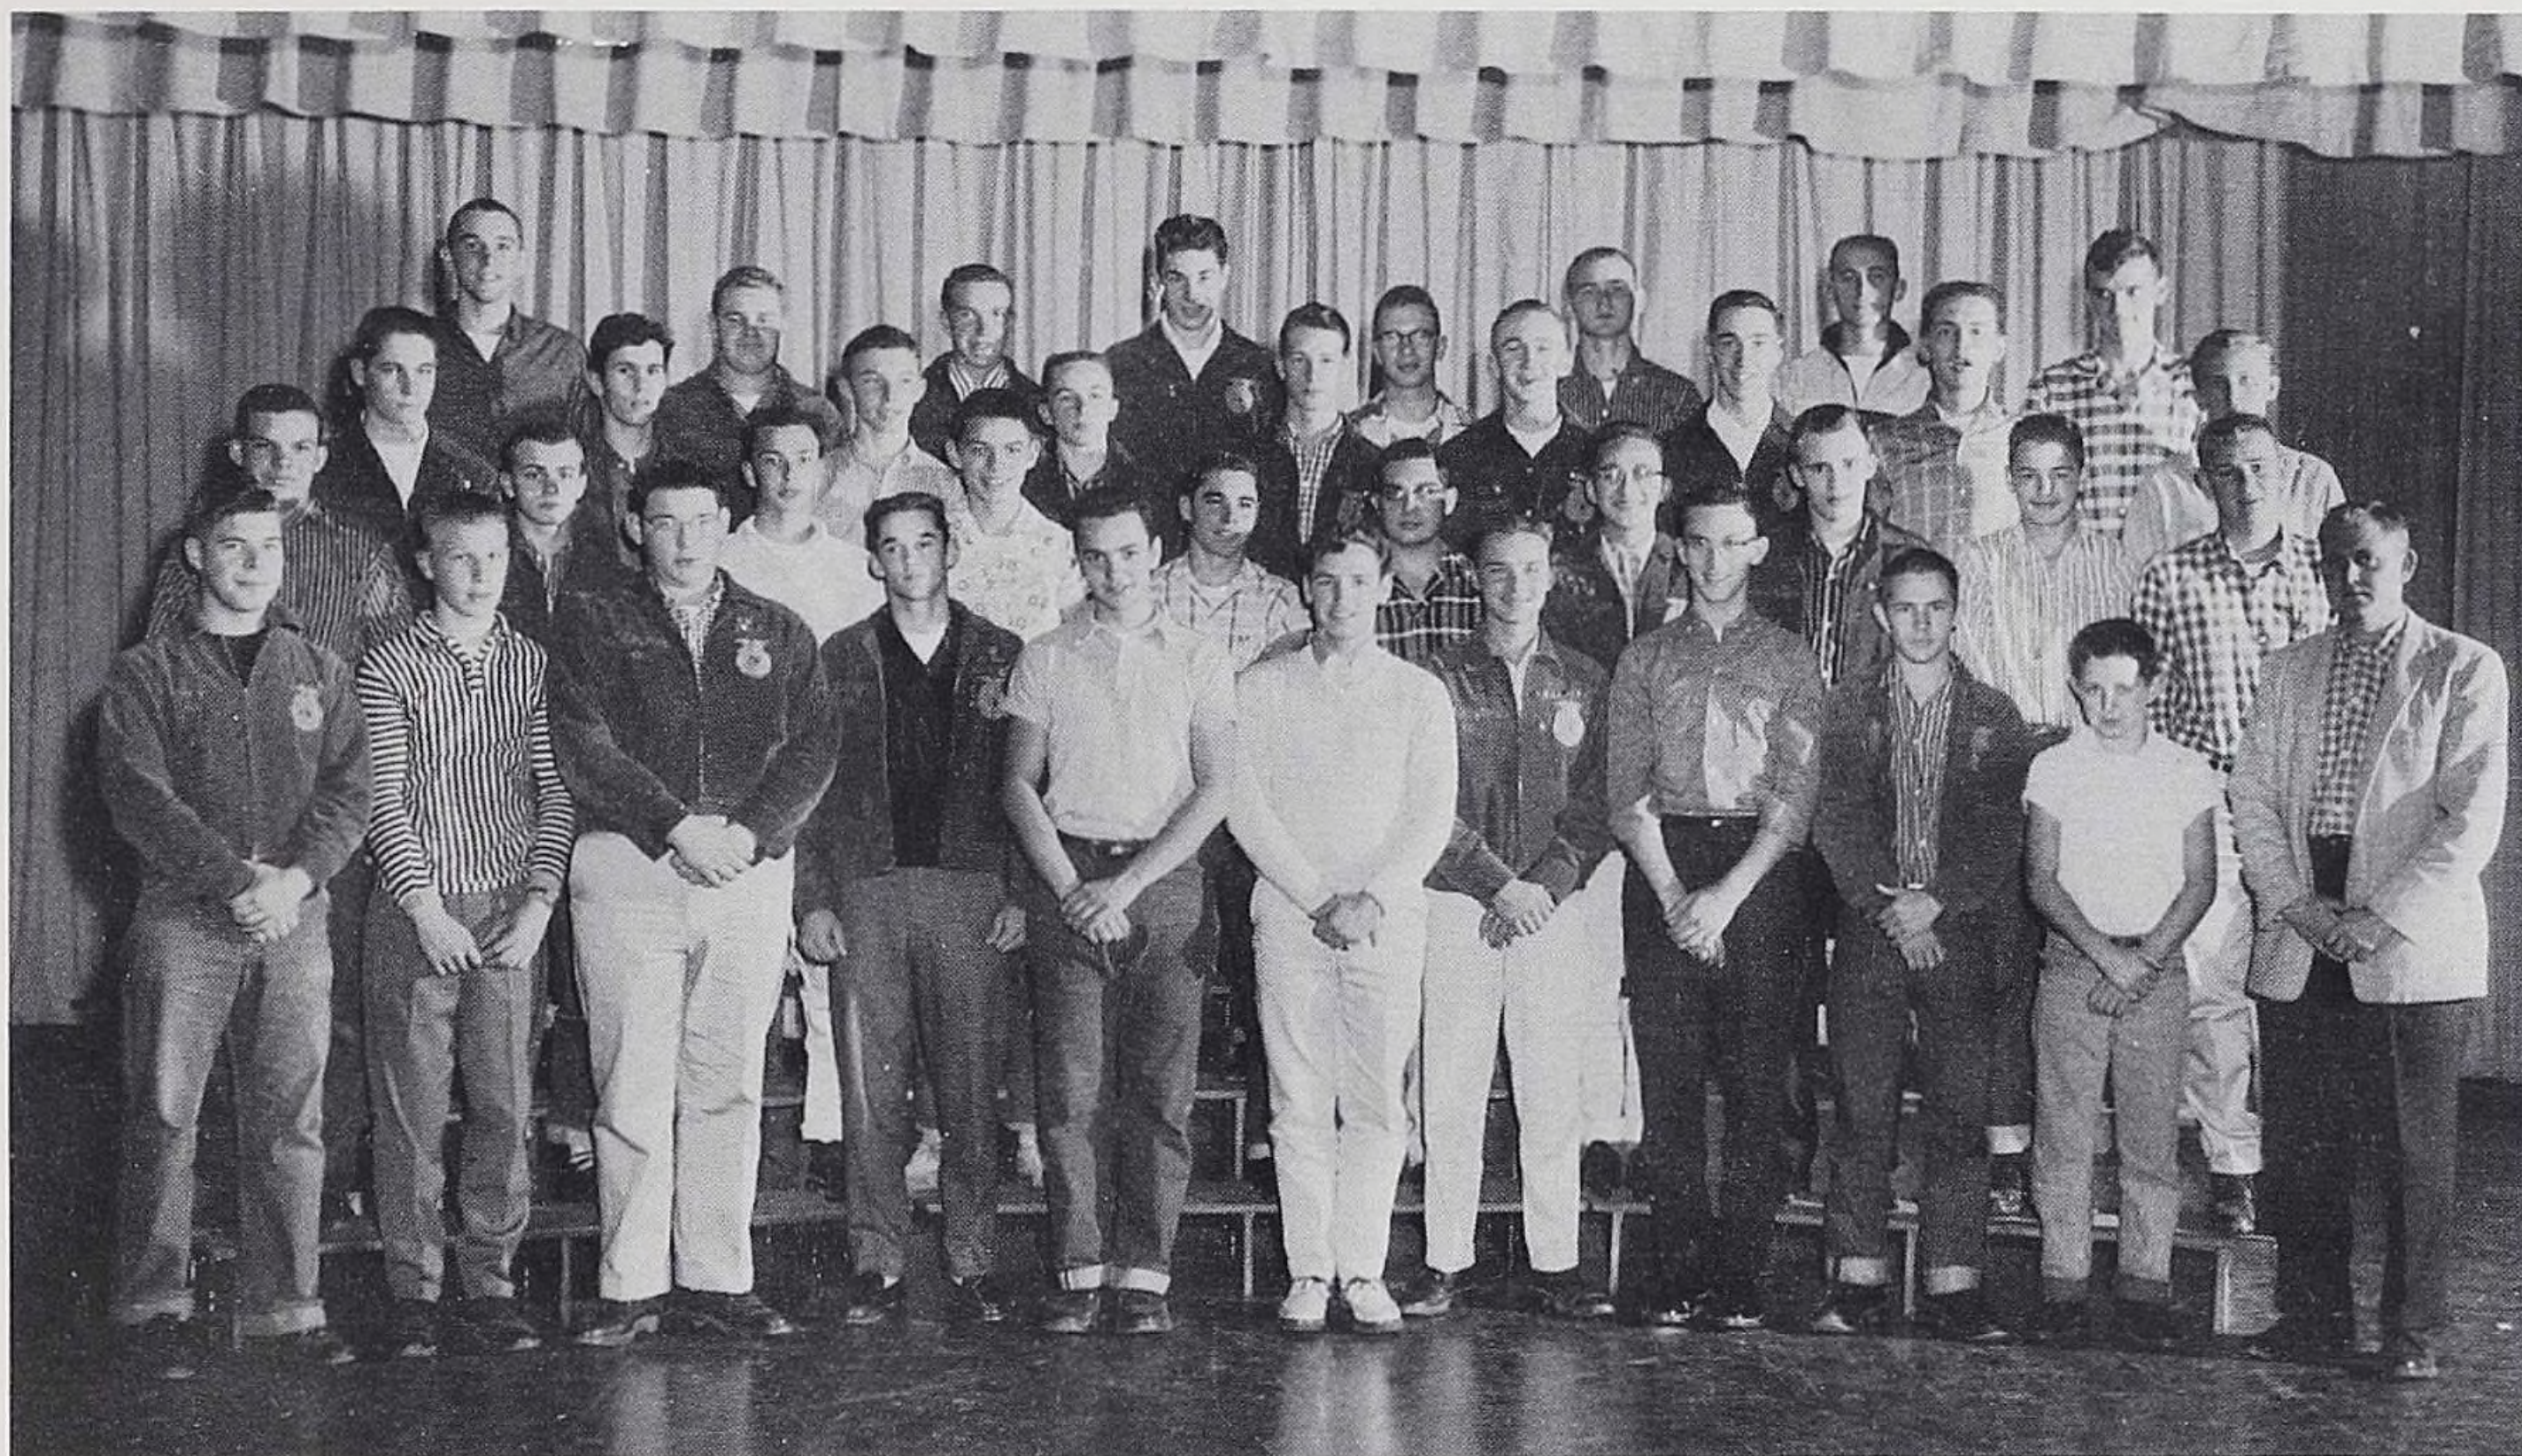

This book took a lot of planning by these people.

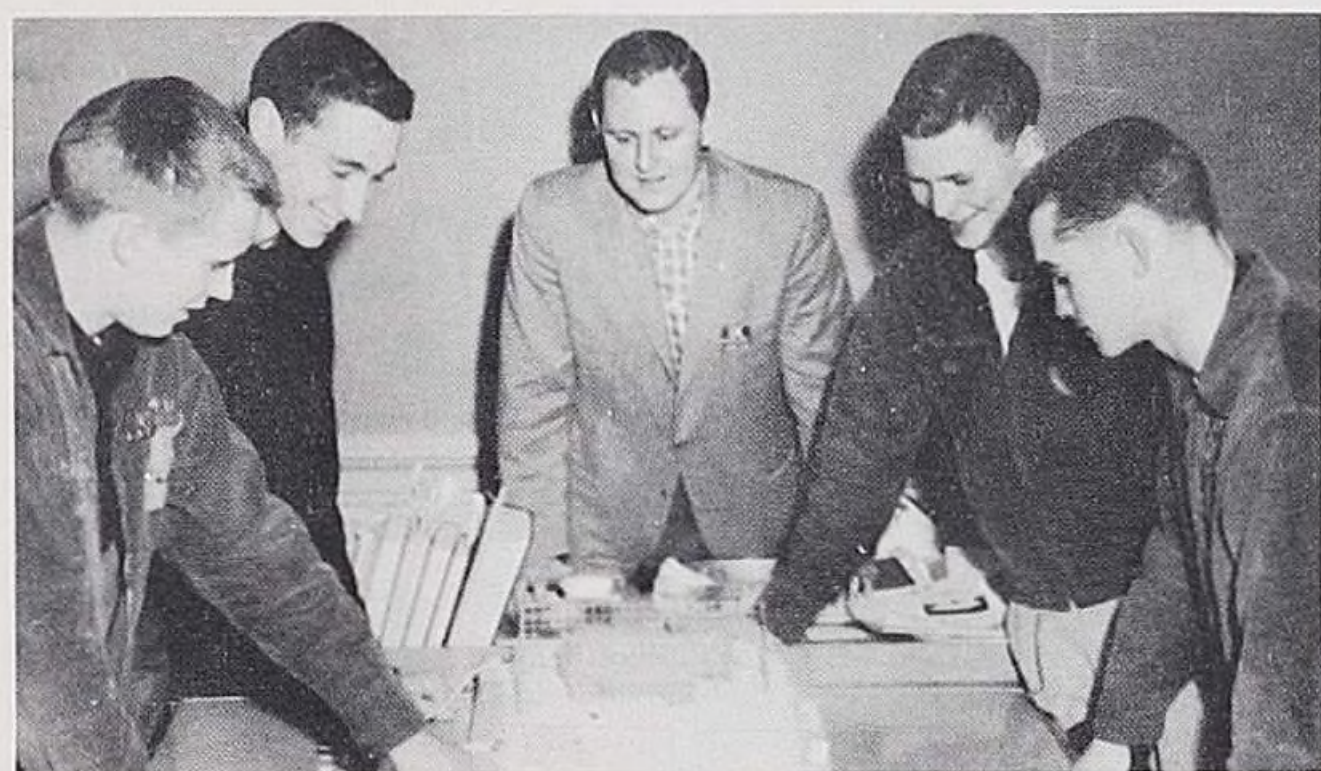

The staff sold booster buttons to raise money.

Living to serve."

The Future Farmers of America, or FFA as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture. The FFA was organized in 1928--Indiana being the 19th State association to be chartered.

The foundation upon which the FFA organization is built includes leadership and character development, sportsmanship, cooperation, recreation, citizenship, service, thrift, scholarship, improved agriculture, and patriotism.

For fifteen years now the familiar jackets of "National Blue and Corn Gold" have been seen at the New Carlisle High School, for the year of 1944, the FFA organization made its debut at NCHS.

Our 1958-59 officers are Steve Toth, President; Arnold Mann, Vice President; George DeMeyer, Secretary; Mike VanHeesbeke, Reporter; Richard Kaplon, Treasurer; Albert Wozniak, Sentinel; and Mr. Clyde Robinson, Advisor.

Barbara McAfee was chosen our FFA Sweetheart for the year.

# AUDIO-VISUAL AIDS

The A.V.A. Club took on a few new members in the past year. These new members learned how to operate the projectors as well as how to take care of them. They were aided by the older members and the club's sponsor, Mr. Stutsman. After the new boys had proven they could run a projector they were allowed to show films to various classes. There were fifteen to twenty members in A.V.A. last year.

The club sponsored a dance after one of the basketball games to raise money for new projectors and to repair the old ones. The club owned a lot of equipment and it took a lot of money and work to keep it all in good condition.

Members could receive letters for outstanding work and most of the older members have letters. The members also received small gold bars representing the number of years they had been a member of the club.

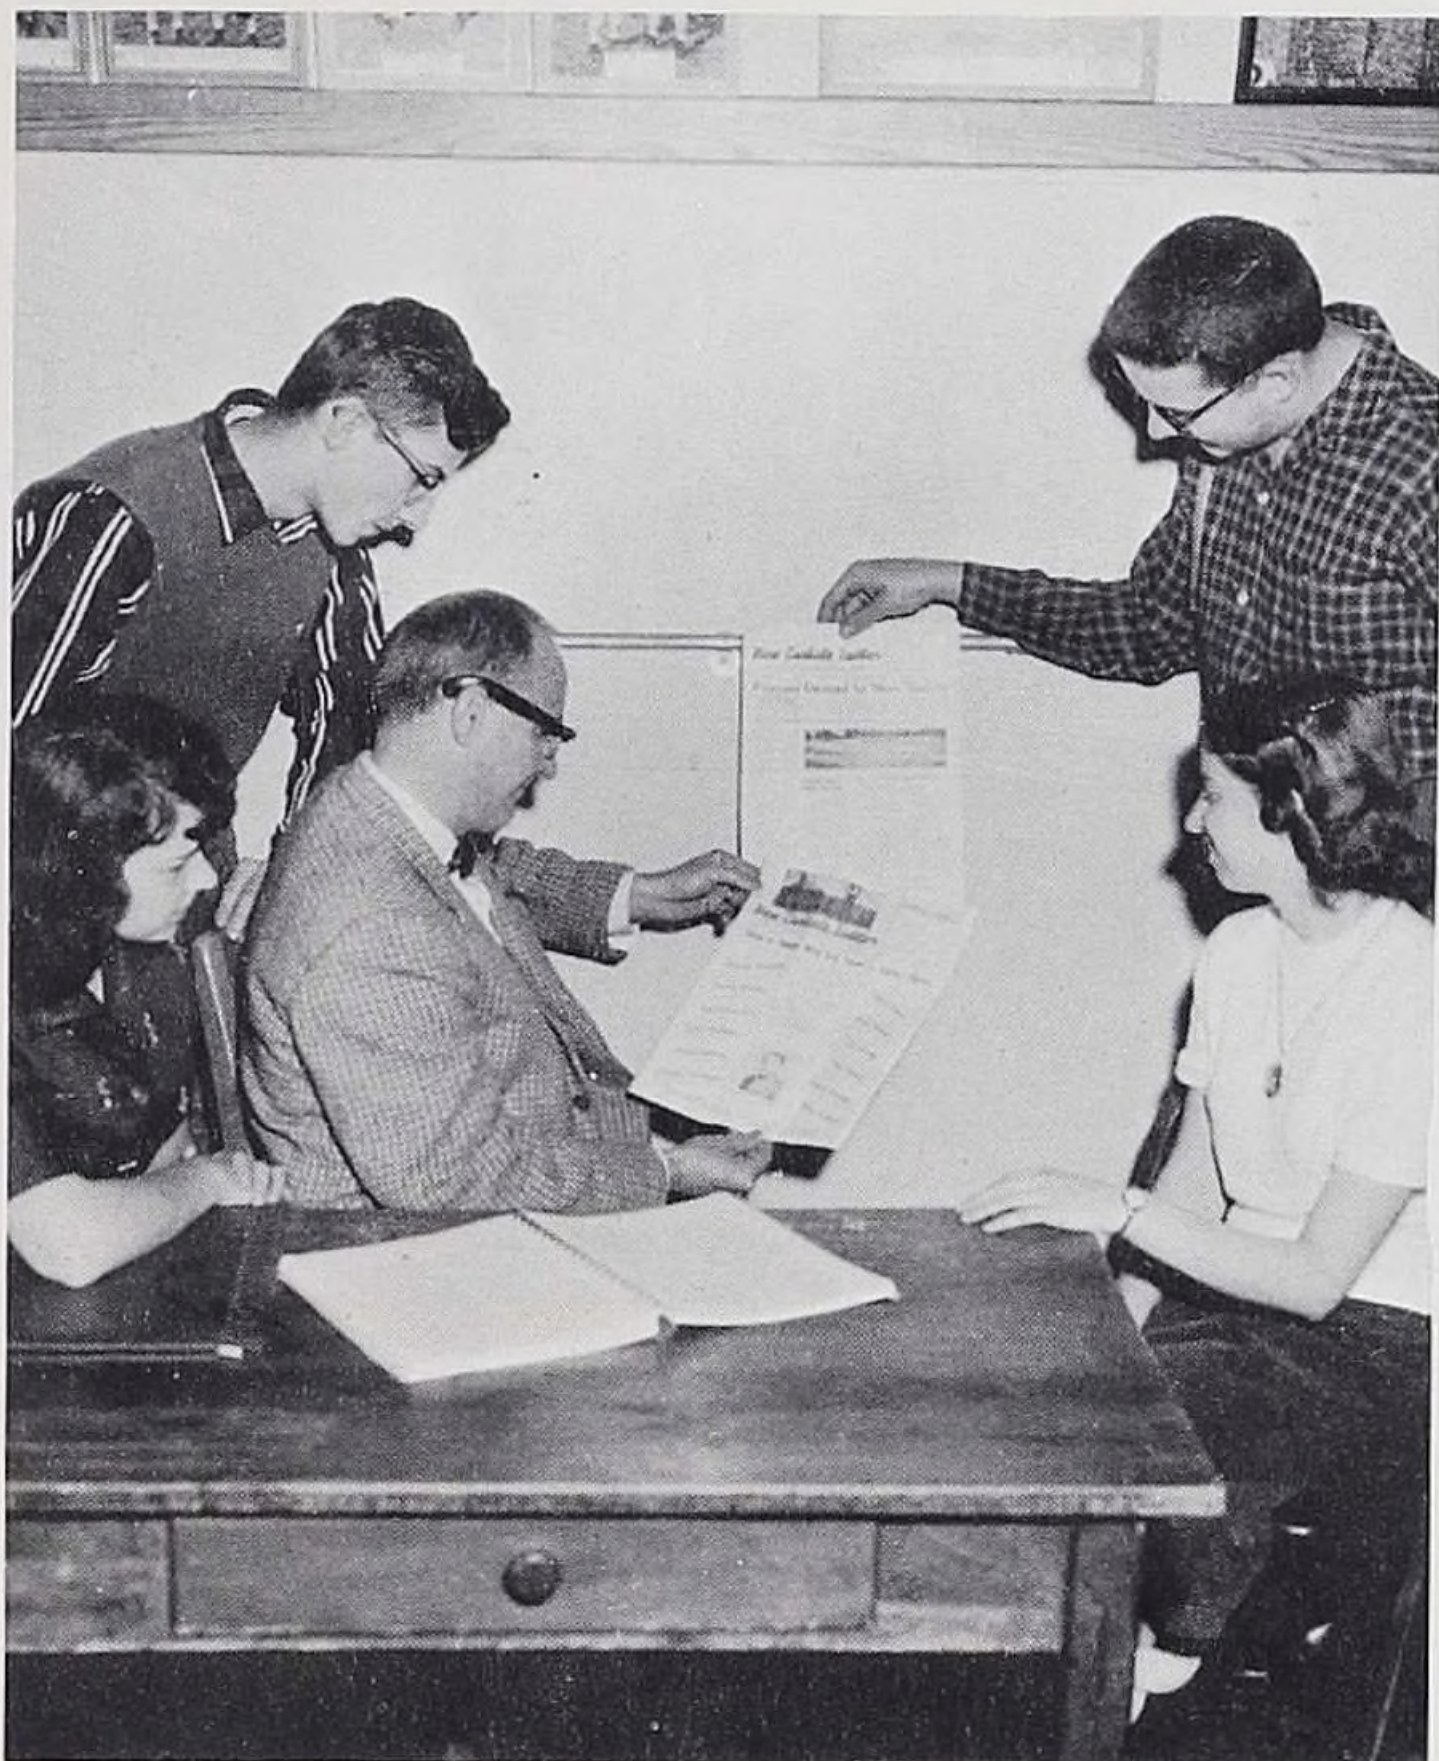

The officers are demonstrating to Ricky Budny the complications of running a projector.

FIRST ROW: K. Coddens, J. DeGroote, S. Budny, T. Piech, S. Stevens, D. Massey. SECOND ROW: Mr. Stutsman, Sponsor, K. Korn, B. Shankland, J. Gorny, L. Falk, R. Coddens, D. Bingaman. THIRD ROW: P. Bowker, C. Whitten, T. Wroblewski, J. Ekstrom, M. Eberhart, T. Williams.

# TATTLER

Every alert staff knows that much of the future is made up from the past and the present. So the Tattler staff scans the first and then a current edition of the paper, in order to measure its progress.

Obviously the picture of the school improves the masthead of the front page and is a pleasant change from the more usual balanced front page of the other editions. It will take several highly discerning glances to gain ideas for a better and varied style of article composition.

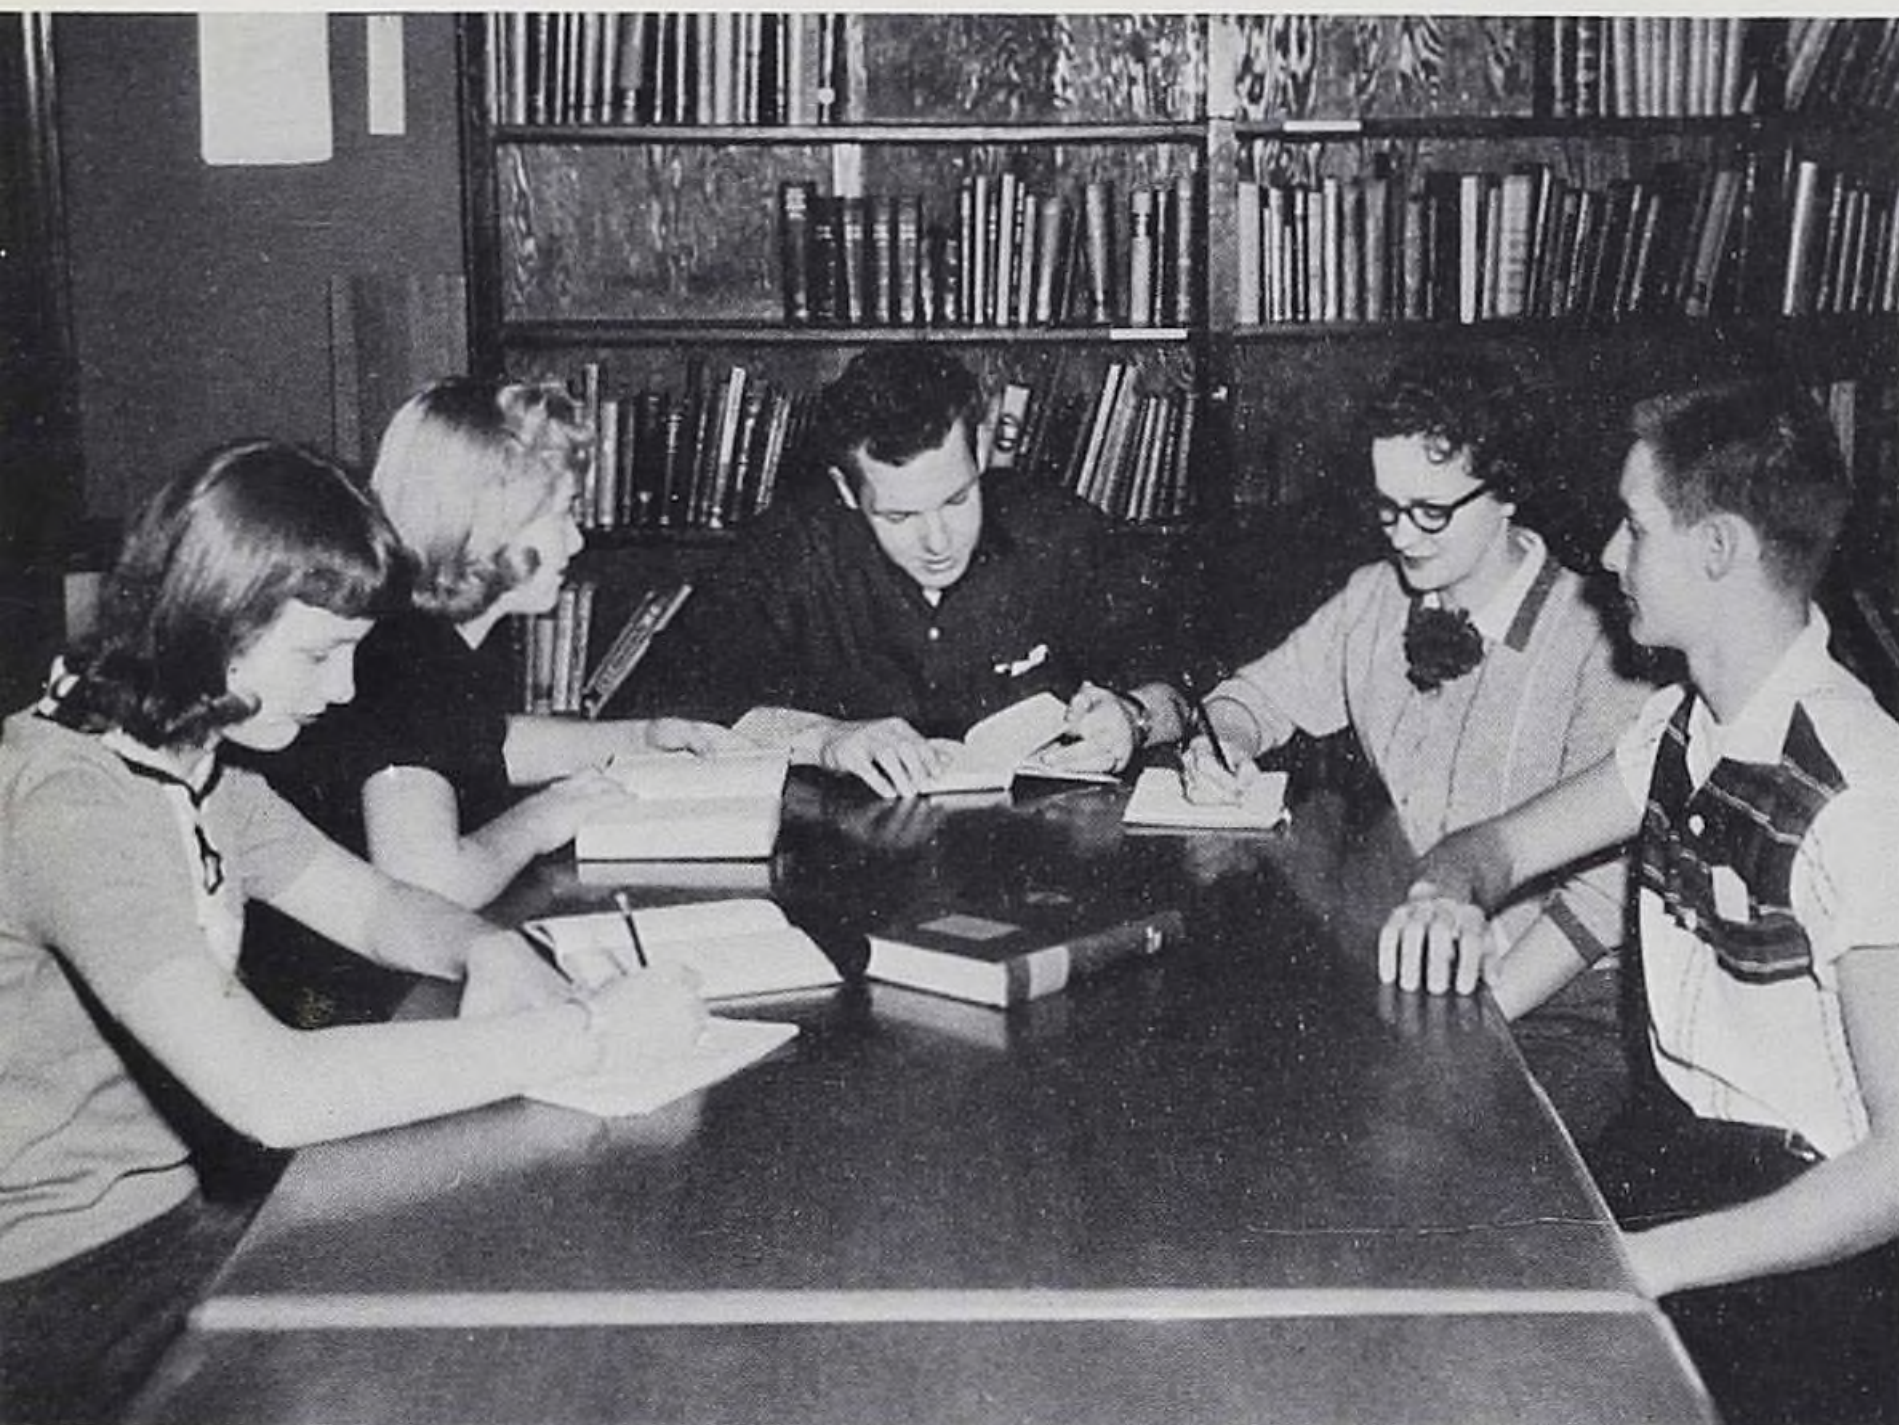

Such a "measuring time" creates a desire for further improvements of the paper, but at the same time leaves one with a feeling that the Tattler has lived up to its motto by helping to lift many students out of various servitudes of wrong or incomplete thoughts into the freedom of clearer thinking.

Here some members of the staff compare two different copies.

FIRST ROW: Sponsor, Mr. Isaacs, D. Morz, S. Rife, R. Hale, M. Engber, E. Malec, S. Bryant. SECOND ROW: C. Grabarek, E. Kujawski, P. Cooreman, M. Wilde, J. Ekstrom, S. Halassy, L. Whittler, A. Peterson. THIRD ROW: J. Hoover, J. Coon, J. Anderson, G. Jackson.

# STUDENT COUNCIL

The Student Council, this year sponsored the Halloween Masquerade Dance, October 31, in the high school gym. All the clubs had booths and each class had a King and Queen representing them in the court.

We sponsored programs throughout the year which, included a wrestling demonstrator on April 6th, and a man that played various types of musical instruments on March 3rd.

As a fund raising project we sold beanies in the school colors and sponsored a dance after a football game.

As projects we made score sheets for the basketball games, and sponsored dances at noon, which the students highly appreciated. We made comical posters showing different code of ethics the students should follow and inspected students lockers at different times of the year.

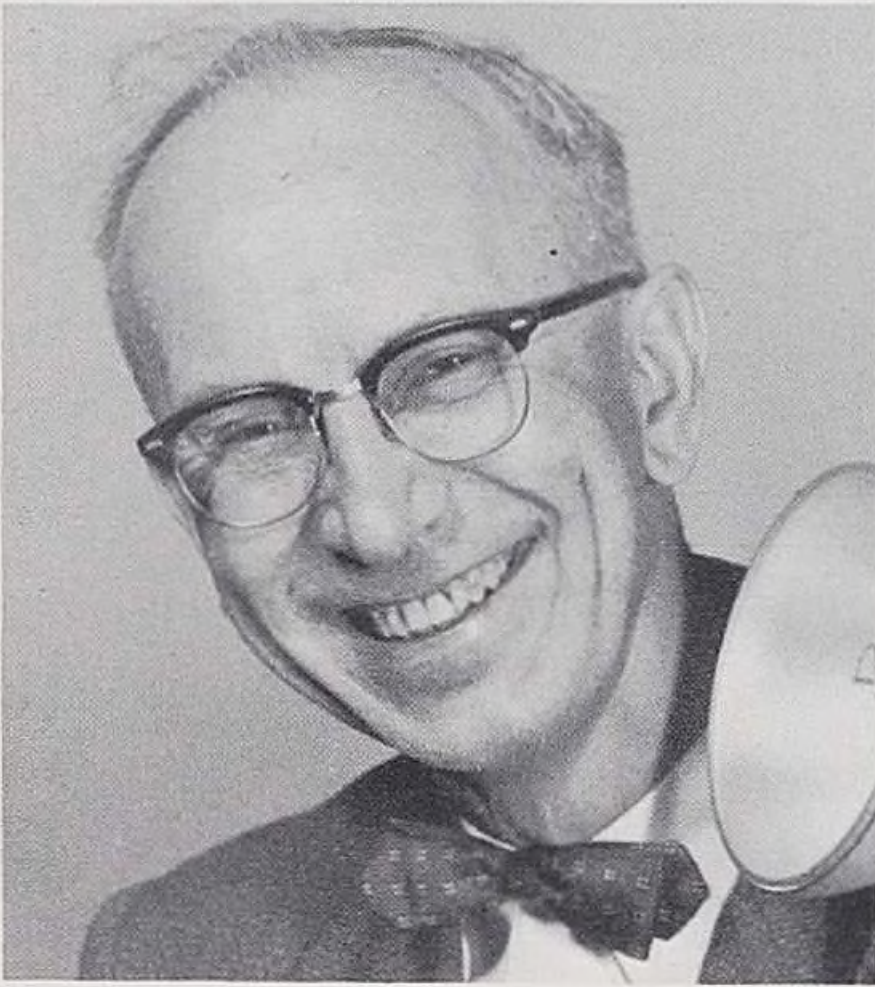

Secretary--N. Simpson, Reporter--G. Gromski, Pres.--B. Ostertag, Treasurer--A. Peterson, and Vice Pres.--S. Budny.

FIRST ROW: R. Budny, A. Peterson, B. Ostertag, S. Budny, N. Simpson, G. Gromski, B. Roloff. SECOND ROW: Sponsor, Mrs. Crouch, L. Carbiener, S. Arick, C. Meyers, D. Estep, M. Clendenen, Sponsor, Mr. Zielanski. THIRD ROW: M. Sabinas, B. Scheperell, J. Ekstrom, J. Laureys, T. Horvath, D. Glon.

# THE OLIVE BRANCH HONORS . . .

Quickly the days passed by. Dead lines arrived in a whirlwind of rushing. The yearbook staff faced the problem of pictures. What should they do? However, there was an answer to that problem. Mr. Tony Waruszwski came in the form of a photographer--and mighty good one he was. In him the staff found their task a lot easier and even fun. We would like to express our thanks to Mr. Waruszwski.

"What did you say his name was?" Asked Jean Ferris. Yes, this was another problem encountered by the ever-working staff. Yet there was an answer. Here's where Bob Dudeck came in. He went to the elementary school and for three weeks toiled over names and faces, trying to connect a name with the corresponding face. Who could say what we would have done without him. Thanks, Bob, for the information.

The staff would have had a very difficult time making a Yearbook, had not it been for Louie, you see every day without a doubt, room 152, the headquarters of the yearbook staff, had to be unlocked, for typing of stories and the general work involved in yearbook making. We wish to say "Thank's a million, Louie, for your help!"

# IN MEMORIAM

Mr. Glenn F. Hartman

You can't express in words of man  
Why death will steal away,  
The ones we like and love so much  
And leave us here to stay.

Mr. Hartman was one of those  
Whose soul was snatched away,  
Yet we will always remember him  
Forever and a day.

He was a man of integrity  
And was liked by everyone.  
And no one could ever say  
His job was not well done.

And though our life must linger on  
Our thoughts on him dwell.  
And the greatest compliment from a teen  
Is this, "He sure was swell!"

You have just seen school life in action. There were times of trial and pain, but the reward at the end justified them. Now we suddenly realize we have heard the last sound of laughter echoing from the gym. Classes for us are no more; yet, somehow instead of making us happy, the thought saddens us. However, because of this yearbook, we may be able to relive the days of our youth merely by leafing through this book.

We wish to thank everyone for their help in producing this yearbook. The business organizations and friends who aided us financially; Bob Albertson, the American Yearbook Company's representative; Max E. Haag, our advisor, and Sue Bryant, a member of our helpful staff, who wrote the poems in this yearbook.

So, in conclusion, we wish to extend a big "Thanks Everyone."
